3D DISPLAY SOLUTIONS

WELCOME TO THE THIRD DIMENSION

NEC 3D STARTER KIT

NEC 3D COMPATIBLE PROJECTORS

NP115 Mobile Projector

NP210 Mobile Projector

NP216 Mobile Projector

ENTRY LEVEL 3D PROJECTION

ENTER THE WORLD OF 3D WITH THE
HIGH QUALITY VALUE NP115, NP210
AND NP216 + NEC 3D STARTER KIT

Traditional 3D projection technology requires two projectors, one for the left eye and one for the right. Both devices must be precisely aligned in a time-consuming process and users require special filters and potentially also a special screen. In the educational sector, this process is often too expensive and the set-up is too sophisticated.

With DLP® Link technology, a single projector produces the images for both eyes. The impression of 3D is created by the interaction with the active LCD shutter glasses. This solution is cheaper and more user-friendly than traditional 3D stereoprojection.

NEC Display Solutions additionally will be offering a special 3D starter kit. It includes active 3D glasses and award winning 3D content and software for easy access to a first 3D experience.

IDEAL DISPLAY SOLUTION FOR

ENGINEERING, SIMULATION, GAMING
EDUCATION, PHOTO VIEWING, MOVIES

CONTENTS

NEC 3D STARTER KIT INCLUDES

ACTIVE 3D SHUTTER GLASSES
DVD WITH STEREOSCOPIC PLAYER
3D MOVIES, 3D IMAGES
EDUCATIONAL 3D DEMO SOFTWARE

FOR NP115, NP210, NP216

SYSTEM REQUIREMENTS

Stereoscopic Player

General system requirements

Windows 7, Windows Vista, Windows XP or Windows Server 2003

DirectX 9

Sound card

Additional requirements for DVD playback

1.5 GHz processor or better

DVD-ROM drive

DVD decoder

Additional requirements for HD playback

Dual core processor for 720p playback

Quad core processor for 1080p playback

Depending on the codec, a faster processor might be required

EON

Operating system: Windows XP, Windows Vista or Windows 7

Laptop or desktop with 3 GHz processor and 4 GB RAM

Quadbuffer enabled graphics card (e.g. Nvidia Quadro FX series)

Eureka

Computer - Core™ 2 Quad

RAM: 2GB

Operating system: Windows Vista / Windows 7

Graphic Card - Nvidia Quadro Fx 1500 or above

Sound card and speakers

Discover The Senses / Maths Tutor

Operating System: Windows XP / Windows Vista 7

2GHz processor

RAM: 2GB

500 MB of free hard-drive space

Nvidia Quadro FX380 graphics card or higher
