

Mobile, motorized, height adjustable WallMount NP02HM

ORDER CODE: 100012781

NEC Wall Mount - Projectors

Mobile, height adjustable WallMount for short-throw projectors, dedicated to schools and universities, corporate customers, conferences and hotels.

DELIVERING GENUINE BENEFITS

Motorized height adjustment for different user requirements

Easy passage through doorways (swivel arm, height adjustment)

Quick, easy installation and projector set-up

Professional cable management

Possibility to add shelves and media boxes

① Maximum height distance between projector - board = 400 mm

② The upper board holder can be adjusted 180 mm to fit a board up to 1430 mm of height
Distance between projector and board will then be 220 mm
